

NM 599/I-25 Station Area Planning Meeting for La Cienega Valley

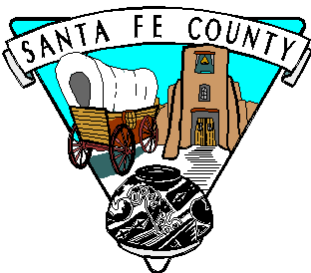

The La Cienega Plan Review Committee, Santa Fe County and Mid-Region Council of Governments invite you to a community meeting to provide you with information on the I-25/NM599 Rail Runner Station Planning Area and to discuss how this station can best serve the area. The meeting will focus on land use and transportation issues within the I-25/599 Rail Runner Station currently under construction .

We are looking for your input:

- How can the station best serve the community?
- What do YOU think are the most important concerns for the Rail Runner station and the future of the La Cienega area?

Monday, April 20th, 2009
La Cienega Community Center
136 Camino San Jose
6:00 PM to 8:00 PM
